AVENTURA ISLES

Dr. Joan Alvarez

CANDIDATE FOR THE HOA BOARD OF DIRECTORS

A personal commitment to communication, transparency, and accountability.

My name is Joan Alvarez. I am a board-certified OB-GYN physician, a husband, a proud father of two, and a fellow Aventura Isles resident since 2017.

Throughout my medical career, I have learned that effective leadership requires clear communication, accountability, sound judgment, and, most importantly, the ability to listen. These are the same principles I believe should guide our community's HOA Board.

I am running because I believe our community deserves transparency, open communication, responsible decision-making, and a board that genuinely listens to its residents.

WHY I WANT TO SERVE

As a physician, I understand the importance of teamwork, managing challenges, and making decisions that put the interests of others first. Although my professional schedule is demanding, I believe that organization, efficiency, responsiveness, and a commitment to following through are what make leadership effective.

My goal is to help foster a community where every resident feels heard, concerns are addressed, and decisions are made with our collective best interests in mind. Aventura Isles is our home, and I want to do my part to protect, improve, and strengthen it for all our families.

COMMUNICATION • TRANSPARENCY • ACCOUNTABILITY

Your Community. Your Voice. Our Priority.
