AVENTURA ISLES

Stéphanie Lambert

CANDIDATE FOR THE HOA BOARD OF DIRECTORS

ABOUT ME

My name is Stéphanie Lambert. I've lived in Aventura Isles for over eight years. I am a proud mom of 2. This is the place my family calls home.

Professionally, I'm an educator and a World Languages Department Lead. I manage a team, coordinate projects, communicate with families, and navigate challenges every day. I've learned that good leadership requires listening, collaboration, accountability, and, most importantly, following through.

WHY RUNNING

I am running because I believe that change is a healthy part of any community. Welcoming new people, fresh ideas, and different perspectives is not about discrediting what has been done, but about building on our strengths and creating opportunities for positive progress.

MY PRIORITIES

- **Communication:** Keep homeowners informed, engaged, and connected through clear, consistent, and open dialogue.
- **Transparency:** Ensure homeowners have access to timely information and a clear understanding of decisions affecting our community.
- **Accountability:** Promote team-based decision-making, responsible oversight, and consistent follow-through on commitments.

MY COMMITMENT

Serving on the HOA Board is a volunteer responsibility, and I am committed to contributing my time, leadership experience, and organizational skills to help build on our community's strengths and keep Aventura Isles a well-managed, welcoming, and modern place to call home.

COMMUNICATION • TRANSPARENCY • ACCOUNTABILITY

A Stronger Aventura Isles, Together.
